Quota Tools Assessment Review

On January 12, 2018, the Farm Industry Review Board (FIRB) provided an update regarding its timeline to provide its response to the BC Milk Marketing Boards (BCMMD) evaluation of quota policies impacting the transfer of quota in British Columbia. [BCFIRB Quota Review Timeline Update – January 12, 2018](#)

The FIRB has delayed its release for decision to late January /early February with a target no later than February 9, 2018.

The Milk Board will continue to provide updates as they become available.
