Important: Dairy Direct Compensation Payment (DDPP) Security Concern

The CDC has advised provincial boards that a DDPP registration form is currently circulating on Facebook. **Producers should NOT use any DDPP forms from ANY social media platforms.**

Producers need to get the REAL form on the DDPP web site:

<https://application.cdc-ccl.gc.ca/ddpp-ppdpl>

There is a lot of money involved, so the risk of fraud is real. Producers should exercise caution. Please obtain the form only from this website – do not use others that are circulating on Facebook or from other producers.

If you have any questions on the program, the process, or you haven't received your letter from the CDC by November 29, be sure to call the DDPP help-line toll-free: 1-877-246-4682 or email: aafc.ddpp-ppdpl.aac@canada.ca

We understand that the DDPP help line is very busy, but the response times on email requests are very good currently.

Please also refer to previous BCMMB Notices regarding the DDPP, for more information:
